Brief Abstract of Letter.

Requests that an additional allotment of two lakhs of rupees may be placed at his disposal for Land Improvement and Takavi Loans for the whole State, in addition to a sum of Rs 52,000 for the Tumkur Dt. for tank maintenance works & drinking water wells

NOTES AND ORDERS.

The D.C. Tumkur Dt. requests that the following allotments may be given to him:—

Tank maintenance works — Rs 25000/- till the end of June 1924

Drinking water wells 25,000/- to be met out of Rs 2 lakhs

Temporary Drinking waterwells 2000/-

Tank maintenance works:—

2 As regards tank maintenance works, the expre during the last 4 or 5 mths is stated to be Rs 18,495. A sum of Rs 34,417 has been taken as the amount of expre to be incurred on this class of work in the Tumkur Dt., in the f.o. dated 7-3-24. It is not likely that compared with the expre in the past, this limit will be exceeded and no addl. allotment seems to be necessary for the present.

9 Is the work at present being done by the contractor or by the Dept.?

3 Drinking water wells:— The R.E. suggests that the amount of Rs 25,000 may be ordered to be met out of Dt. funds. But cannot order it unless the Dt. Board are willing to bear it and pass a resoln to that effect. The D.C. Tumkur Dt may therefore be asked to refer the matter to the Dt. Board for necessary action.

10 Compare with previous year's Dc & Actuals

4 Temporary wells:— The expre upto date is stated to be Rs 1487. This figure is so low that it gives an impression that either the

NOTE—Contn. sheet.

progress in well works is practically nil or that there was no demand for wells but for that the bills prepared for works executed are delayed in payt. The expre so far incurred however does not justify the rather alarming nature of the reports sent up to Govt regarding water scarcity in this Dt. Considering the fact that there has been a small expre of Rs 727-8-0 under R. D. works out of an allotment of Rs 10,000/-, it seems that a portion of this amt can very well be appropriated for excavating temporary wells.

5 Takavi advances & L. D. Loans:-

The R. E. wants an addl. two lakhs for this purpose. He has still a large amt. unallotted out of the one lakh sanctd in G.O. dated 26th March 1924. The demand for loans for irrigation wells may be keen. In view of the recent rains, it is likely that the ryots require loans for purchase of seeds & bullocks. But there does not seem to be immediate need

for an addl allotment being placed at his disposal, while he has still some amount unutilized. Under these circs., the R.C. may perhaps be asked to renew his application about the 15th May 24, with a statement showing the amt allotted to 8th, the amt disbursed & amt of the Zakat & L.S. Loans amts placed by him at the disposal of the D.C.S. Advt.

2) The second point for order is the grant of Rs 2500/- for Tank maintenance works in the Tumkur Dt. The total amount that has been sanctioned on acct of Tank maintenance works is Rs 1,12,302 [Rs 44872 on acct of the net liability of Govt in lieu of one years assessment + Rs 6730/- for meeting the cost of the right share of the work] - The total outlay in the Tumkur Dt is 22098 Rs & the figure for Kolar is no higher. It does not therefore seem to be necessary to sanction any additional grant now. The existing

3) The third point for orders is that out of the Dt Board funds, 25000 Rs should be given for drinking water wells. It is not clear why the Rt Hon'ble addressed the Govt on this point as it is obviously a matter to be taken up with the Dt Board.

4) The fourth point is the need of Tumkur wants Rs 20000/- for temporary wells. According to the statement sent by the Rt Hon'ble it is seen that out of the lump sum of one lakh given to this he has allotted 15000 Rs to Bangalore Rs 20000 for Kolar & 20000 to Tumkur. The expenditure in connection in Bangalore out of Rs 15000/- was only Rs 3564 upto the 23rd March. The requirements of the Tumkur district may be worked out of the amount

Forwards two statements one showing the actual expre. under the previous Sanctd. grants under Takavi & other Loans & the other showing the expre. incurred in the Kolar & Tumkur Dists under these heads & requests that to meet the further demands for Loans, & an additional allotment of two lakhs of rupees may be placed at his disposal.

4| Including the budget provision of Rs 65,000/- for 1923-24, the total amount Sanctd. up to 30. 4. 24 for the grant of Takavi and L. D. Loans is Rs 4,55,000 for the whole State. Of this amount, the two districts of Tumkur & Kolar had the lion's share of allotment amting. to Rs 2,24,000 & 1,50,000 respectively.

It is however gathered from the latest weekly season report for 10. 5. 1924, that the

NOTE—Contn. sheet.

amounts actually disbursed are Rs 1,48,572 (Tumkur) and Rs 1,11,261 (Kolar), thus leaving a balance of Rs 75,488 (Tumkur) and Rs 38,739 (Kolar) out of the allotment at the disposal of the D.C.s still undisbursed. This means that they can well meet the demand of the applicants to whom the second and third instalments are still due and have about Rs 41572 (Tumkur) and Rs 26,999 (Kolar) still left to meet the demands of the applications pending consideration.

4) The R.C. states that loan applications involving sums of Rs 1,12,145 (Kolar) & Rs 2,29,615 (Tumkur) are pending disposal and requests that an additional allotment of 2 lakhs of rupees maybe given to him to meet the above demands. In this connection it is seen from the statements now received that on 10.5.24, the R.C. has given a sum of Rs 10,000 to the D.C. Chitaldrug Dt for loans. If there was a great demand in the

NOTE—Contn. sheet.

affected districts, it is not clear why he gave an allotment of Rs 10,000 to this Distt. ~~Hence~~ Even then the amts still undisbursed are as follows!—

R.C. 12,500.
D. C. Tumkur 75,488
— Kolar 38,739
— Chitaldrug 18,365
— Bellary 7,335
Mysore, Kadur Hassan & Shimoga 29,500 (Accts as to expire not yet furnished — Sir pressed that the whole allotment is available)
Total Rs 1,76,927

We have unfortunately not altogether correct we may expect a balance of above Rs 2000 in any case the balance drawn will be applied in the pursuance

U/4 The above amount is still available for disbursement and by transferring the amounts from one district to another, it is possible to meet the existing demand. Hence there seems to be no necessity to sanction at present an additional allotment of Rs 2 lakhs as requested. In this connection the R.C. may also be requested to issue instns to the disbursing officers to the effect that all loan applications should be carefully scrutinized with a view to ascertain the circs in each case the degree of necessity, the adequacy of security etc & loans not granted as a matter of course. Camp Kolar,

No. D 50/23-24
Enc. Two.

FROM

K. Chandy Esq., B.A.,

Revenue Commissioner in Mysore.

TO

The Secretary to the Government of
H.H. the Maharaja of Mysore,
Revenue Department.

SIR,

I have the honor to forward herewith copy of letter No. O.C.1840/22-23 dated 5th April 1924 from the Deputy Commissioner, Tumkur District, furnishing a forecast of his requirements up to the end of June 1924 in connection with the seasonal conditions prevailing in the District, and to append a statement showing the balance available with me out of the several amounts placed at my disposal by Government from time to time and the additional amount applied for by the Deputy Commissioner.

2. It will be seen from the statement that a sum of Rs.25,000/- has been applied for for Tank maintenance works; and this may be sanctioned by Government. The sum of Rs.25,000/- stated to be required for Drinking water wells may be ordered to be met out of, or sanctioned from, District Board Funds. As regards the additional sum of Rs.2000/- wanted for temporary wells, I beg to state that the whole amount of one lakh sanctioned by Government in their order No. R.2278-87/R.M.11-23-71 dated 22nd November 1923 has already been allotted to Districts and that a sum of Rs.265-8-0 has further been overdrawn under the said provision as could be seen from the enclosed statement. The sum now required by the Deputy Commissioner may be sanctioned by Government.

3. Regarding the additional sum of Rs.2,27,125/-

(including the sum of Rs.28,274-8-0 available with him, or Rs.1,98,850-8-0 excluding it) which the Deputy Commissioner states he requires for Takavi and Land Improvement Loans, it may be stated that a further sum of Rs.30,000/- was recently placed at his disposal out of the additional one lakh sanctioned by Government in their order No. 837-46/D.34-23-2 dated 26th March 1924 and Rs.25,000/- was allotted to Kolar District, and only a small balance of Rs.16,000/- is available with me out of which Rs.7000/- may have to be granted to Hassan District (Vide No.D 25 dated 9-4-1924). The demand for loans for Irrigation well is very keen, and as these loans have to be sanctioned by at least the middle of May, I request that an additional ~~lakh~~ two lakhs may immediately be placed at my disposal for Land Improvement and Takavi loans ~~in the distressed area.~~ for the whole State, in addition to the marginally noted sums for the Tumkur District.

1. For Tank Maintenance Rs 25,000
2. For Drinking water wells Rs. 25,000
3. For drinking temporary Drinking water wells Rs. 2,000

I have the honor to be,

Sir,

Your most obedient servant,

K Chandy

Revenue Commissioner.

M.B.R.

Letter No. O.C.1840/22-23 dated 5th April 1924 from the Deputy Commissioner, Tumkur District, to the Revenue Commissioner in Mysore.

With reference to your D.O. No. D.50/23-24 dated the 24th March 1924 requesting to forward a statement of requirements up to end of June 1924, I have the honor to forward herewith a copy of the D.O. letter No.174 dated the 28th March 1924 from the Executive Engineer, Tumkur Division, for your kind information.

2. Tank Restoration Work:- One restoration work viz., Jindigere tank work in the Gubbi Taluk, has been started and the same is under progress for which an allotment of Rs.3,500/- has been sanctioned by the Revenue Commissioner. The up-to-date outlay on this work is only Rs.745/-. As it is not likely any restoration works will be taken up hereafter, no additional allotment is now required.

3. Tank Maintenance Works:- From the information furnished by the Executive Engineer, it is seen that 62 Tank maintenance works with an estimated cost of Rs.55,944/- have been started in various Taluks in the District, and an up-to-date outlay of Rs.18,495/- has been incurred for the past 4 or 5 months. As it is likely that some more works will have to be started in the affected areas, the probable outlay that may be incurred by the end of June 1924 is estimated by the Executive Engineer, at Rs.25,000/- both on account of advance and final charges. I think that this amount is absolutely necessary and I request that this amount may kindly be sanctioned.

4. Village Improvements:- The allotment granted to this District is as noted in the margin. The expenditure incurred so far is Rs.727-8-0, and as such, no additional allotment is required under this head.

Rs. 2,000-0-0	Revenue Commissioner's No.C. 163/19-7-1923.
Rs. 1,000-0-0	-do- -do- dated 21-10-23
Rs. 2,000=0=0	-do- No.C.147/20-11-23.
Rs. 5,000-0-0	Sanctioned as an advance to the Deputy Commissioner in Government Order dated 3-10-23, has since been ordered in Government
Rs. 10,000-0-0.	Order dated 12-10-23 to be utilised for village improvement

wo [illegible].

5. Drinking water wells:- A sum of Rs.25,000/- has already been applied for from the District Board, which may kindly be arranged to be sanctioned. The up-to-date outlay is Rs.5,[illegible]/-.

6. Temporary Wells:- Apart from Rs.1000/- sanctioned under G.O. No. [illegible]. 113-117/Dis.9-23-5 dated the 5th January [illegible] to this District for temporary irrigation wells, no allotment for sinking temporary drinking water wells has been sanctioned. The expenditure incurred up-to-date on this account is Rs.[illegible], and some more bills are expected to be received for payment. An allotment of Rs.2,000/- under the head may kindly be sanctioned to meet the expenditure incurred already and that likely to be incurred before the close of the official year. If permission is granted to debit this charge against the Village Improvement Grants, no allotment is necessary for temporary drinking water wells.

7. Takavi and Land Improvement Loans:- The total allotment granted to this District under the head is Rs.1,23,000/- and the amount spent up to date is Rs.94,725-8-0. In addition to the balance of Rs.28,274-8-0, a further allotment of Rs.2[illegible], 2,27,125/- willbe required, as already intimated in this office No. O.C.1840/22-23 dated the 27th March 1924, for expenditure during the remaining part of the current official year.

To sum up, my requirements are as follows:-

1. For Tank Maintenance Rs.25,000/-
2. For Drinking Water wells Rs.25,000/-
3. For sinking temporary Drinking water wells. Rs.2000/-
4. For Takavi and Land Improvement Loans. Rs.2,27,125/-.

Total. Rs. 2,79,125/-.

This forecast is subject to modificationand if the seasonal prospects grow better by the advent of Mungar rains, the requirements can be considerably reduced.

Sir;

In acknowledging the receipt of your Memo No.D.25 dated 1/2nd instant, placing a sum of Rs.30,000/- at my disposal -- under Takavi and Land Improvement Loans, out of one lakh sanctioned in Government Order No.837-46/D.34-23-2 dated 26th March 1924, for the purpose, I have the honour to state that this amount has been distributed among the several Sub Division Officers and Amildars according to the need of each in the -- District. But there still a great demand for additional funds from the Sub Division Officers of Gubbi and Maddagiri and the Amildar of Maddagiri, Pavagada and Gubbi, whose issue of second and third instalments in respect of well loans is reported to be outstanding. If the money is not paid immediately, there is some danger that when the rains come the sides of the wells may collapse and instead of helping the ryots, it may ruin -- them. These instalments therefore will have to be given - promptly. Besides, there are new applications for irrigation wells. As there is generally an interval of not less than a week or ten days between applications for allotment and grant of allotment, this delay in giving these instalments is unavoidable.

2. I have therefore the honour to request that a further sum of Rs.30,000/- may kindly be given to this District, for

the grant of Takavi Loans so that it will not be necessary to frequently apply for an allotment and wait for a week - or ten days before action can be taken on applications pending.

I have the honour to be,

Sir,

With reference to your docket No. D. 25 of 23-24 dated 12/15th April 1924, enquiring what additional allotment would be required this month for loans, I have the honor to state that out of Rs. 1,20,000/- allotted up to the end of March 1924, excluding Rs. 3,000/- sanctioned for issue of loans to weavers in the Maddagiri Taluk) a sum of Rs. 1,14,307/- has been reported to have been spent so far, leaving a balance of Rs. 5,693/- at the end of last week. The further allotment of Rs. 30,000/- sanctioned in your Memo No. D. 25 dated 1/2nd April 1924, has also been distributed as stated in my letter No. O.C. 1840/22-23 dated 11th instant, among the several Sub Division Officers and Amildars according to the needs of each. I am not yet in receipt of reports as to how much of the above sum has been spent by the disbursing officers, except from the Amildar of Maddagiri who reports that he has already spent this amount (Rs. 4,000/-) and prays for an additional sum of Rs. 10,000/- immediately as people have been coming every day in crowds for loans.

2. The Amildar of Pavagada, Sira and Gubbi and the Deputy Amildar of Korategere had also asked for additional grants amounting to Rs. 35,000/ in the aggregate for immediate use. As they have already been given a sum of Rs. 11,500/- out of Rs. 30,000/- recently sanctioned, a sum of Rs. 30,000/- may be taken as a fair forecast of the requirements under loans for the District especially in the affected Taluks of Maddagiri, Pavagada during the remaining part of the current month.

3. As I am writing this letter, I have received telegrams from the Amildars of Pavagada and Maddagiri for additional allotments of Rs. 10,000/- each.

4. I therefore request that this amount Viz. Rs. 30,000/- may kindly be placed at my disposal immediately.

SUBJECT.

is seen from the statement marked "B" compiled from the statements specially called for direct from the affected Taluks of the two Districts referred to above, that a sum of Rs.97,371/- in Kolar District and of Rs.1,07,419/- in Tumkur District was issued as loans under the several heads as noted in the margin up to 24th March 1924, while the figures taken from the latest weekly statements dated 3rd May 1924 show that the expenditure in these two Districts had within such a short time risen to Rs.98,621 and Rs.1,44,343 in these two Districts.

Items	Loan amounts sanctioned and given in Kolar and Tumkur (up to 24th March '24) as per figures taken from the Taluk statements)	
Subsistence loans.	6,560	9,847
Land Improvement &	29,895	52,924
Takavi	31,506	830
Irrigation wells	29,410	43,818
Total	97,371	107,419
As per figures contained in the latest weekly statement dated 3-5-24	98,621	144,343

In respect of the further allotments needed it is found that additional sums of Rs.11,740/- for Kolar and Rs.36,976/- for Tumkur are required for paying the second and in a few cases third instalments of loans already sanctioned to the Ryots and that further sums of Rs.69,155/- and Rs.2,00,600 are wanted for these two Districts as loan applications involving sums of Rs.1,12,145/-(Kolar) and Rs.2,29,615(Tumkur) are pending disposal.

In view of the recent mungar rains not having been satisfactory all over and the consequent deepening of distress in some of the affected parts of the State, Government may be pleased to sanction a further sum of two lakhs in addition to the sum of Rs.1,00-000/- sanctioned under G.O. No.1031-40/D.34-23 dated 30th April 1924 for the free grant of subsistence and other loans to alleviate distress. Even in case the Mungar rains eventually are bounteous the free

sanctioned of loans will have to be still continued in order to enable the Ryots to purchase seed grain, ploughing bullocks etc, and also to meet sundry items of enevitable expenditure.

I have the honour to be,

Sir,

Your most obedient servant,

K Ramdy

Revenue Commissioner.

23 MAY 1924

Sir,

In submitting herewith copy of letter No. T.R.210 of 23-24 dated 20th instant from the Deputy Commissioner, Tumkur District, requesting sanction to the sum of Rs.30,000 for being utilised for granting loans in the affected tracts of the District, I have the honour to state that I have to-day placed a sum of Rs.12,500/- which was all the available ~~grant~~ amount out of the additional rupees one lakh grant for loans sanctioned by Government in their order No.1031-40/R. 34-23 dated 30th April 1924 at the disposal of the Deputy Commissioner, Tumkur District, for being utilised for the purpose.

In this District and in Kolar also the demand for additional grants for loans is very pressing as the ryots are anxious to get equipped by the time the Monsoon begins and also to complete the improvements and irrigation wells they have started.

In these circumstances, I beg to request that Government may be pleased to sanction at least Rs.1,00,000/- for the purpose immediately.

I have the honour to be,
Sir,
Your most obedient servant,

K. Chandy
Revenue Commissioner.

Copy of letter No. T.R.210/23-24 dated 20th May 1924 from the Deputy Commissioner, Tumkur District, to the Revenue Commissioner in Mysore, Bangalore.

I have the honour to state that the additional allotment kindly sanctioned by you recently for Takavi loans, has been exhausted and there has been a great demand for further funds in the Sira and Maddagiri area, where I have been touring in connection with the Excise Sales, Inspections etc. I therefore request the favour of your kindly sanctioning a further sum of at least Rs.30,000/- to meet the most pressing demands. The cry everywhere has been that lots of petitions are being kept back for want of funds, and people who have already taken the 1st instalments of loans are demanding the payment of the balance and it is impossible to meet the demand, with the small sums that are now being sanctioned from time to time. Not only does this entail poor people in need of loans coming over and over again from long distances, and going back disappointed for want of funds, but it also has the disadvantage of loss of much valuable time which could otherwise be more usefully spent.

Many people are anxious to have the balance of the loans sanctioned, as they are afraid that the outbreak of the monsoon may cause them heavy losses, by the sides of the wells collapsing for want of revetment and thus ruining them. -- From this aspect of the question I would specially request you to kindly sanction at least the full amount of Rs.30,000/- now applied for.

Sir,

Referring to your letter No.111 dated 22nd May 1924 and in continuation of my letter No. D.25 of 23-24 dx of ~~the even~~ the same date requesting for the grant of an additional allotment of one lakh for grant of Takavi Loans, I have the honour to -- state that information will again be called for and submitted early in June but that as every day is precious (vide grant of Rs.34,998/- in one week i.e. for the week ending 17th May 1924) and as wells would collapse unless 2nd or 3rd instalment is paid at once, a lakh may be kindly sanctioned immediately.

I may also state that the sum of Rs.8,000/- required for Shimoga (vide my letter No. D.25 of 23-24 dated 23rd May 1924) and the sum of Rs.7,000 required for Hassan (vide my letter No. D.25 of 23-24 dated 17th May 1924) may kindly be sanctioned separately.

Referring to G.O. No. 1128-31/D.34-23 dated 29th May 1924 sanctioning an additional sum of Rupees one lakh and fifteen thousand for Takavi and Land Improvement loans, I have the honor to state that a sum of Rs.1,05,000/- has been placed at the disposal of the several Deputy Commissioners as noted in the margin and and that a small balance of is only Rs.10,000/- now available with me.

District.	Amount. Rs.	Date.
Tumkur.	40,000	31-5-24
Kolar	30,000	-do-
Bangalore	10,000	11-5-24
Tumkur	10,000	11-5-24
Hassan.	7,000	31-5-24.
Shimoga	8,000	
	Total 1,05,000	

2. I beg to state that judging from demands from Districts, it would appear that at least a further sum of Rs.50,000 could be profitably spent for giving loans for purchasing bullocks and seed grain in the worst affected parts during the current official year, if sanctioned immediately, and to request that Government may be pleased to sanction the amount in order to give time to Amildars for disbursement and also an additional one lakh of Rupees from the next year's Budget for disbursements from July 1924, as it is apprehended that a portion of the culturable land would be left fallow if adequate facilities are not afforded to the Ryots.

3. I beg also to inform ~~you~~ that the supply of seed grains free in the affected tracts or at least in the worst areas, viz., Maddagiri Taluk, Koratagere Sub Taluk and Nittur Hobli of Gubbi Taluk etc. would be greatly appreciated.

I have the honor to be,

Sir,

Your most obedient servant,

Dated Camp Mysore the 19th June 1924.

Dear sir,

With reference to your D.O. No. T. 23 dated the 15th instant, re: Takavi Loans, I write to state that out of Rs.2,72,500/- sanctioned so far, during the current official year for Takavi and other loans in connection with Distress, a sum of Rs.2,38,175/- is reported to have been spent up to the end of last week, leaving a balance of Rs.34,325/-. During the current week a major portion of this amount must have been expended by the several Amildars in the affected Taluks, but I am not yet in receipt of exact figures. While writing this communication I have received requisitions from the Sub Division Officer, Maddagiri, and the Amildars of Gubbi, Tiptur, Kunigal and the Deputy Amildar of Turuvekere for additional allotments amounting to Rs.26,000/- for immediate disbursement. I therefore request that a further grant of Rs.20,000/- may kindly be sanctioned immediately to supplement the balance now on hand as large number of applications for bullocks and seed grains is reported to be coming in every day.

To

K.V. Anantaraman, Esquire, B.A.,

Secretary to the Government of

H. H. the Maharaja of Mysore,

Revenue Department, Bangalore.

Sir,

In continuation of this office letter No. T.26 of 23-24 dated 12th June 1924, I have the honour to state that the whole amount of Rs.1,15,000 sanctioned in Government Order No.1128-38/D.34-23 dated 29th May 1924 has been placed at the disposal of the Deputy Commissioners of Districts as noted in the margin. In reply to a communication made from this office asking the Deputy Commissioners to surrender before the 15th instant the sums that may not be utilised by them for the grant of Takavi loans before the end of the current official year, the Deputy Commissioner, Mysore District, surrendered out of the Takavi allotments made to him a sum of Rs.1,000/-, which was again re-allotted to Tumkur District where it was badly needed. The Deputy Commissioner of Hassan states that the entire amount allotted to his District is required for the pending applications. The other Deputy Commissioners have been reminded this day for submission of an immediate reply in the matter: and any amounts that may be surrendered by them will be re-allotted to the most affected parts of the Districts.

Tumkur	Rs	40,000	on 31-5-24
Tumkur		10,000	on 11-5-24
Kolar		30,000	on 31-5-24
Kolar		10,000	on 18-6-24
Bangalore		10,000	on 11-6-24
Hassan		7,000	on 31-5-24
Shimoga		8,000	on 31-5-24.
Total	Rs	1,15,000	

In his letter No. H.C.107/23-24 dated 16th June 1924, the

Deputy

Deputy Commissioner of Kolar states that only a sum of Rs.21,000/- is left with him out of the several amounts placed at his disposal for grant of Takavi and Land Improvement loans and that it would be spent in a couple of days more, as applications for loans for purchase of bullocks, seed grain, fodder etc., have been pouring in daily in addition to the pressing demand for the disbursement of 2nd instalments in cases where loans have already been sanctioned and part payments made. He therefore applied for a further grant of Rs.15,000/-; but as I had only Rs.10,000 remaining with me out of the additional allotment of Rs.1,15,000 made in the Government Order of 29th May 1924 referred to above, I have placed the whole amount of Rs.10,000/- at his disposal ~~this day~~ on 18-6-24 (vide figures quoted in the margin supra).

The demand for Takavi loans, for purchase of bullocks etc., in the affected parts of Tumkur District is likewise great. It is reported that some ryots in parts of Maddagiri etc. have in spite of the recent rains left their lands untilled, as they have lost their ploughing bullocks during the distress and as they have no seed grain with them.

I beg to state that this is just the time when every facility should be given to the much impoverished ryots in the affected parts so as to enable him to raise the next crop on his lands and tide over the present distress.

The Amildar of Maddagiri states that he has not been able to disburse in time loans for wells already sunk and for purchase of bullocks etc. for want of funds. As the year is nearly over, a sum of Rs.25,000 instead of Rs.50,000 may be kindly sanctioned immediately, and also one lakh for July, so that payments may go on without interruption from 1st July also.

I have the honour to be,
Sir,
Your most obedient servant,

K. Chandy

Revenue Commissioner.
